

Camán RZ

Green slicer

Description

In the tradition of the original “glasshouse green” cucumbers, Camán RZ is the gold standard renowned for its quality fine graded fruits that are 18-20cm long, with a dark colour. This type of cucumber, also known as the “green-slicer”, remains a popular seedless variety for the fresh market and food service sector best suited for spring, summer and autumn production.

Key features:

- Market leading variety
- Good fruit length. Good shelf life
- Suitable for spring to autumn harvest
